

Getting Back on Track at Deerdale off Road.

After considering the Government and BRCA recommendations below is a list that will affect racing Deerdale to keep everyone safe.

- All entries have to be booked in online
- Race fees to be paid by PayPal or bank transfer.
- No entries or payment will be accepted on the day at race control.
- Booking in online finishes at 8.30 Sunday morning.

- Race control is off limits to every one except for Deerdale officials.
- Any problems see a race official.
- Drivers briefing will be done over the microphone from race control.
- We cannot post paper results so they will be posted live on the BRCA Truggy web site and Chris will photograph them and put them on our face book page.
- Queries on results can only be made by text or e mail if absolutely necessary.

- There will be a maximum of 8 buggys per heat and may be mixed depending on attendance.
- Your car will be booked in to the meeting by you personally passing it over the loop when indicated to do so by Chris. (This may be done in non timed practice round)
- There will be no bump ups.

- The one way system of entering and leavening the rostrum and pit lane will be vigorously maintained.
- Drivers to provide there own Hi-Vis waist coat and sturdy gloves (not latex disposable) for when Marshalling, and sanatiser for their personal use.
- Drivers and pit crew need to provide there own face masks for when in pit lane and on the rostrum.
- Pit crew to stand by the side of the markers in pit lane which will be approx 1.5 meters apart.
- Drivers on the rostrum will stand by the side of the markers provided which are 1.5 meters apart.

- Drivers and pit crew to maintain social distancing at all times, a minimum of 2 meters unless wearing a face mask.
- If you become ill or exhibit any of the covid 19 symptoms at the track please inform a track official and then go home.

Drivers and pit crew please be patient and help us make this work as this may be how we have to run until the pandemic is over and who knows when that will be.
